Domestic Bearing Restriction Continued

1. Buy American Act Is Overruled By Domestic Bearing Restriction

Language in the Appropriations Law.

2. If Domestic Source Immediately Available, Must Purchase Domestic

Even If Foreign Bearing is Cheaper.

3. No Further Automated Awards Will Be Processed By PACE Because

of Foreign Bearing Purchase Mishaps.

4. If Foreign Bearing is Purchased and NSN Not

Automated IDPOs

1. Purchase Request Document Begins With “GQC” And The 9th Position of the Solicitation Number Contains A “U”
2. Only 1 Clause In Section I - AUTO IDPO Solicitation Clause
3. Weighted Pricing Evaluation- Based On Four Quantity Ranges With Weights Applied To These Ranges
4. No Guaranteed Minimum Offered So Possibility Exists For No Orders To Be Placed Against Award
5. Only Good For Two Years (1 Base Year and 1 Option Year) Or Total Value Of Orders Reaches $100,000.00- Whichever Comes First
6. No Option Modification Required To Execute Option Year

Requests…

- If NSN Becomes Foreign Manufactured, Please Let The Buyer Know ASAP!
- If Something Is Holding Up A Quotation, Please Inform The Buyer So Coordination Can Occur With Supply.
- CDD Is Not The Date For Shipment But The Date Goods Should Be Received by The Government.
